

Peace LOVE and JOY

“These 3Hearts meetings...it’s a place, an ISLAND of PEACE that you can come and be with good people and express yourself authentically and be received authentically! I LOVE THAT! I can’t find that anywhere else that you have this sacred space where people can come, be heard, be appreciated, contributed, received, give all in the one hour! And it’s creative and FUN!! AND THERAPEUTIC!!! It’s a SACRED SPACE – the air is different. The QUALITY of Connection is Different with 3Hearts, and that’s what keeps me coming back! I think 3Hearts provides a space that’s not really available anywhere that I’ve in the world! Anyone who come is going to feel it’s FUN! ACCEPTING, LOVING group of people with integrity to hold the space for one another and what that does is like a HUG for MENTAL HEALTH! When I leave the meeting, I FEEL HUG!!” _ Henry-Cameron Allen

“3Hearts is doing such great things being the example for others to reclaim their happiness and joy through the power of connection.” _ Chris Salem, show host of the Sustainable Success Radio Show, The Voice America Influencers Channel.

3Hearts Amplifies My Presence!
“My biggest reason for joining 3Hearts’
meeting is to be able to nurture my
communication and connection skills at
a professional level, to amplify my
presence and the work that I do...! I
Remember, I originally wanted to join
the Toastmasters, but these meetings at
3Hearts bring me to another level.”

3Hearts Ambassador Australia

”What Do You Need?”

“The first time I went to 3Hearts meeting, I realized something... I realized something very important... So many people are so lonely and sad and is disconnected, lonely and depressed. I’ve been there! I mean we’ve all been there, right?! And when you are, you are at that part what do you need? You need to know that someone cares. You need to know there’s a future of hope! And 3Hearts can give that to people! And that’s why I am delighted to be part of this 3Hearts movement! Delighted to be an Ambassador! And that’s why I would invite anybody to come and check it out! Because we can save people from terrible situations!”

3Hearts Meetings

“I had the pleasure of attending the 3Hearts meeting today, with the birthday celebration. The connections I feel, globally, in these meetings is excellent. We celebrate and we support. We are from different countries, which helps us to realize the largeness of the world, but also the smallness of the world. One member received terrible news during the meeting, and we all rallied together to support.

Thank you, Linda Duong, for your wonderful leadership in bringing people from around the world to these beneficial experience. Bringing positivity to our world through connections. Brilliant approach and one that is to be cherished.”
